

Satellite U840W/014 PSU5RA-014001

Price \$1,699.00 RRP AUD (inc. GST)

Overview

The Satellite U840W Ultrabook™ lets you marvel in the ground-breaking magic of Cinematic Display.

This 14.4" 21:9 Toshiba Ultrabook™ engineering marvel raises the bar in prestige and is perfect for those with their finger on the pulse of cutting-edge technology.

Ultra cool, ultra thin and ultra light, the chic new U840W Ultrabook™ is the world's first wide-screen 21:9 laptop PC offering a true panoramic Cinematic experience.

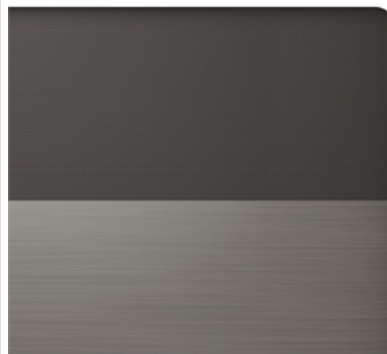

With its split screen technology, the U840W also lets you work smarter in multiple windows making it an incredible productivity tool as well as the ultimate entertainment device.

State of the art harman/kardon® stereo speakers enrich your entertainment experience, whilst you enjoy the coveted fast-start responsiveness and extra long battery life.

Packed with incredible Toshiba innovative features, enjoy the luxuries of faster downloads, Peak Shift energy savings and USB Sleep-and-Charge. You can also take advantage of the Toshiba PC Health Monitor, which intelligently diagnoses and tunes for the ultimate performance.

Toshiba recommends Windows® 7.
